

WE OFFER THE BEST WEBSITE DESIGN FOR THE BEST PRICE, GUARANTEED!

NEW: AUTO RESPONDER PUT YOUR NEWSLETTERS ON AUTOPILOT

Our consultants charge nothing more than R2'500 to design and set up your fully interactive website right in front of your eyes. After this session you will be fully trained in the use of the World's Easiest Website Creation Tool. If you call today, you probably will have your website tonight!

Our websites are also fully (Wap) Wireless Application Protocol Mobile phone enabled

[View Normal Website](#) [View Cell phone version](#) done for free via our Kwikwap system

This is not the world's first website design software, but we made 100% sure it is the easiest! Because our system is so user friendly, we can use normal people to develop your website. No longer do you have to pay a highly skilled developer to design or update your website. We talk your language!

Our monthly cost is only between R59 and R150 (+VAT) per month AND you get a complete tool to manage your website. Your consultant is always a phone call away if you need help.

Our website design software has many intelligent features that are activated at a click of a button, ensuring that your website always adheres to the latest website design standards. Our design templates are easy to understand and will ensure that your website has a unique and professional look.

You can build and maintain your website and online database from anywhere in the world, our website building system is online. As the web progresses our platform gets updated to the latest trend at no cost to you. Never ever lose your data base ever again due to PC / Laptop crashes or theft.

Share your website with all the social media like facebook, twitter, linkedin etc. in fact at this moment in time there are over 298 social medias.
