

Manual Application form for Mobile Enabled Website

To apply online go to www.kwikwap.co.za and follow the link to [Get a mobile enabled website now!](#). You will be asked for a code; use your agent's code.

WAP In A Box WAP page creation utility	
Step 1	
<u>Enter Company Information</u>	
Company Name:	
Contact Person:	
	This person's details will be viewable on your Mobile Enabled Website (WAP site).
Company Code:	
	<p>NB: This will be your link: i.e. www.kwikwap.co.za/companycode unless you require one of the more advanced packages.</p> <p>Choose a short code as this code will become part of the Mobile Enabled Website (WAP site) address and is used to log in to your Personal Management Website (portal). No spaces or special characters like; ! , @ , # , \$, % , ^ , & , * , (,) , etc. If you are getting a more Advanced package then this info is in any case needed as it is used in the creation process.</p>
Password:	
	Used to log in to your Personal Management Website (portal).
Main Description:	
	This is your page heading and it is very important . Choose words that you want the search engines to find. (Exclude your business name, it will be added automatically; don't add commas). Click here for examples
Street Address:
