Business Network SA makes this platform invaluable to businesses and our members. Interaction between our networkers and the business contacts ensure that relationships and friendships are formed. Thank you to each and every one of you for helping to make this happen – we encourage you to keep the contacts alive and regularly make use of each others' services and products. Keep referring leads to fellow networkers. Remember to pop in frequently throughout the year at our networking breakfasts to build trust and visibility. Your persistence will pay off!

We encourage you to become members of our network as we will vigorously attempt to connect interested businesses to the international market, especially Malaysia and Indonesia.

Please also keep your feedback and ideas coming – suggestions and requests for speakers are also always welcome. We wish you a Joyful Christmas and an encouraging New Year and look forward to our next meeting of the Lansdowne Business Network on Thursday, 3 February. Please diarize this date as invitations and reminders will go out closer to the time.
