## How do you confirm if a 4x4 or Off-Road Training provider is legally ACCREDITED?

A lot of opportunistic trainers are jumping on the bandwagon and a lot more will be in the foreseeable future. As soon as the NOW succeeds with the sensitive areas initiative it will become even worse.

Nobody will ever be able to stop this, it is only important to know how to verify an accredited provider.

Step 1: Go to <http://www.saqa.org.za/>

Step 2: Select Qualifications & Unit Standards

Step 3: Select Qualifications & Unit Standards

### ▶ All qualifications and unit standards

Search for all qualifications and unit standards, no matter what their status

Step 4: Select Unit Standards

#### UNIT STANDARD

Registered statement of desired education and training outcomes and its associated assessment criteria together with administrative and other information as specified in the regulations.

[Search for a Unit Standard](#)

Step 5: Enter the relevant Unit Standard ID No & search

Unit Standard Title	<input type="text"/>
Unit Standard ID	254135
<a href="#">Old NQF Level</a>	254135
<a href="#">New NQF Level</a>	<input type="text"/>

Step 6: Select the Unit standard ID ([254135](#))

All Unit Standards – Search Results	
Searched system for 254135	
It is possible to sort by the underlined table headings. Please note	
<u>U Std ID</u>	<u>Unit Standard Title</u>
<a href="#">254135</a>	Apply the techniques for operating four wheel drive (4WD) vehicles, in on-road and off-road conditions

Step 7: Scroll down the Unit standard to Providers Currently Accredited.

**PROVIDERS CURRENTLY ACCREDITED TO OFFER THIS UNIT STANDARD:**

*This information shows the current accreditations (i.e. those not past their accreditation end dates), and is the most complete record available to SAQA as of today. Some Quality Assuring Bodies have a lag in their recording systems for provider accreditation, in turn leading to a lag in notifying SAQA of all the providers that they have accredited to offer qualifications and unit standards, as well as any extensions to accreditation end dates. The relevant Quality Assuring Body should be notified if a record appears to be missing from here.*

2. BLUE PLANET ATV ACADEMY

This is the easiest way to prove a providers accredited status.

I hope that this brings clarity and saves you effort and money in future.

To environmentally friendly off-roading.

Greetings
