

Currently he owns one of the fastest and most trusted CD Printing and duplicating companies in South Africa, **Mega Star with offices in 29 Clark Road Glenwood**. This is where most artists design and professionally duplicate their Cds (Full albums) and promotional Cds. They also come for printing events flier, biographies, master their Cds atc. His aim is to see Mega Star competing with giants like CDT. Currently his clients data base includes, to name a few: Afrotainment, Emabalabala Records, KZN Music House, Lindelani Mkhize Entertainment, Touch Africa Records, Mayonie Productions, 745 Records, EyedEars, Loxion Records, WoW Entertainment, Gospel Powerhouse and many many other independent labels who have contracts with majors.

A very dedicated person in business and handling artists affairs which is his full time job.
