Do not miss this event, as it will give you the opportunity to see how well your child has developed his rugby skills up to now.

IMPORTANT: Please **RSVP** by sending your **child's name and age** to abovementioned numbers/mail addresses (region where you will attend).

The times when the different age-groups are playing will be sent to you via SMS or e-mail, on the **Friday before the rugby day**, so that you don't need to stay there for the entire morning. Each child will play two games, they usually enjoy this very much because we try to give each child the opportunity to score a try! (This should last about an hour).

WHAT TO WEAR?

Children wear their **Rugga Kids** T-shirts with any trousers or shorts and they play barefoot. Those who didn't receive T-shirts at their schools, will receive theirs on the rugby day.

Rugga Kids T-shirts and shorts will be available at Pretoria's rugby day (R60 for the T-shirt and R100 for the shorts).

A **R50 registration** fee (for the child only) is payable for the rugby day, this is utilised for coaches who assist on the rugby day, as well as the medics. The schools where the rugby days are held also ask a fee to make their sports grounds available to us. All participants receive a certificate and water/juice.

The registration fee is payable in cash on the rugby day.

Please feel free to make any suggestions or contact Neels on 082 3390 751 if you would like to get involved with **Rugga Kids**. (e.g. coaching on rugby days / sponsorships / running a kiosk on rugby days etc.)
