

## WHAT'S IN B-BBEE COUNTRY?

B-BBEE is the CBD of Vastfontein Community Transformation. En-route we share the corporate vision. We have been in operation for over 10 years with an excellent management history. We are strategically directed by a Board of Directors who are mostly prominent business people and managed daily by a manager who held senior corporate management positions.

Whether you journey with us as a Qualifying Small Enterprise (QSE) or a Multi-National, you can benefit from the community transformation projects executed by Vastfontein.

Vastfontein City offers a few solution-locations to businesses in the corporate sector who believe in the vision of the Transformation Journey.

Most businesses travel with us with a Broad-Based Black Economic Empowerment Scorecard boarding pass. Our most visited locations are both the Socio-Economic and the Enterprise Development sections of the scorecard.

As travel assurance, we have audited financial statements to ensure that our partners have peace of mind with regard to the application of their support to Vastfontein.

## WOULD YOU LIKE TO VISIT OUR LOCATIONS WITH YOUR SCORE CARD?

Any monetary or non-monetary contribution to Vastfontein will grant your company B-BBEE points on the respective (Social Development, Enterprise Development or both) categories of the B-BBEE Scorecard. We issue official tax exemption certificates/donations receipts for contributions received and applied according to the principles and procedures of Section 18A of the Income Tax Act.

Refer to the [Codes of Good Practice](#) or follow the [DTI](#) link on our [Links](#) page.

Your company will not only benefit from Vastfontein by our B-BBEE profile, but we have noticed since our inception that friendships between Friends of Vastfontein are everlasting. Please feel free to pay us a visit. See our directions on our [Contact Us](#) page.

Alternatively make an appointment with Johan or Elandi-Marie for a personal visit and explanation of how you and your business can benefit from us.

Our 4 minute [Video](#) will elaborate on the itinerary of our vision.
