Scrola rola 850mm X 2100mm available @ R2710.00

Double sided roll-up banners available please contact us for a price.

PVC Banners

PVC banner material comes in roll form and is printed directly to the surface of the PVC, using large format digital printing. PVC banners are a versatile substrate which can be used for indoor or outdoor applications. PVC banner material can be folded over and welded to give a reinforced edge. Eyelets can be included so that ropes can be threaded through for fixing. Please note that all banners can be manufactured from HDPE banner material.
